Dear Partner and Friend,

The Central Oklahoma 89er Chapter of Quail Forever is hosting a golf tournament on May 14, 2011 at Surrey Hills Golf Club. As a respected business in our community, we would like to invite you to be our partner in sponsoring this fundraiser. The monies raised by this event will be used to fund our community education and awareness projects scheduled in the coming year such as our **Annual Youth Shoot and Hunters Education Day** as well as the **Annual Military Appreciation Shoot**.

The mission of the Central Oklahoma 89er Chapter is to protect and enhance quail, pheasant and other upland wildlife through habitat improvement, public awareness, education and advocacy for sound land management policy. Thanks to your investment in our efforts, we look forward to being able to continue promoting the education of future hunters and enhance public awareness through our annual youth events and military appreciation shoot.

Enclosed, you will find details about the tournament, including sponsorship levels and benefits. Thank you again for your support. We look forward to working with you again.

Sincerely,

Instructional Youth Shoot

Central Oklahoma 89er Chapter of Quail Forever hosts an Instructional Youth shoot each year. This event promotes youth hunter and gun safety education, a key element of the Quail Forever Mission. We believe that, by keeping youth involved in these activities, we can promote habitat awareness and positive life choices in the future.

Each year Quail Forever hosts an Instructional Youth shoot for kids ages 10-18. This activity is supervised by certified coaches and is free of charge for all participants. They will learn safe gun handling, use and shooting skills. We also provide lunch free of charge.

Military Appreciation Shoot

For the past two years, the Central Oklahoma 89er Chapter of Quail Forever, along with the Oklahoma City Gun Club, has hosted a Military Appreciation Shoot and Picnic. The Oklahoma Department of Wildlife Conservation STEP Program has supplied shotguns, shells, targets, safety equipment and instruction each year. This event is provided free of charge for all current military, veterans, and their families in appreciation for their service and sacrifices for our country. Those who serve, and have served, already paid the price. ®
